

REGISTER TODAY!

We are still accepting registrations for the Annual Ministry Celebration!

If you will be sending delegates and have not yet returned your church's credential card, please do so today! Credential cards can be emailed to office@midwestcovenant.org. Many delegates still have not yet registered, so please remind your delegates to register ASAP!

Anyone can attend the event as a non-delegate (\$35). We are also offering pre-celebration workshops (\$10) for lay attendees on Friday morning, even if they can't stay for the full celebration. Be sure to tell your congregation about these fantastic learning opportunities!

For registration brochure, visit www.midwestcovenant.org, or register online at tiny.cc/AMC2019.

Please note that we cannot accept childcare registrations after April 19.

From the Superintendent

Friends,

If you have not yet done so, be sure to register for this year's

Annual Ministry Celebration! We hope to have as many churches as possible represented as we celebrate the amazing work God is doing throughout the Midwest Conference.

While your church is allowed a designated number of official delegates, you may send as many general attendees as you'd like! I want to specifically highlight the pre-celebration workshops that are being offered to lay attendees on Friday morning. We are privileged to be joined by presenters trained in *Crescendo*, *Posture Shift*, and finance. At an affordable rate of \$10, we hope local congregations will take advantage of these great opportunities!

As we enter into Holy Week, we are reminded of God's incredible, life-changing work at the cross. May this season be one of great joy as we celebrate our risen Savior!

Christ is risen!
