

More than an investment.

We're Building for the Future.

National Covenant Properties exists because individuals, like yourself, have chosen to invest with us. Every new home, every college graduation, every retirement dream is more than an investment, it's building for your future. With National Covenant Properties, your investment allows us to finance Covenant mission and ministry in your community and around the United States.

As a result of the experience we have in addressing the financial needs of churches, we understand church lending in ways other lenders do not. When you sense God calling you toward facility growth, you need a ready partner.

We know that your church is more than mortgages and facilities, brick and mortar. Every sanctuary expansion, every carpet refresh, every building plan is an investment in your future. Every worship service, every Sunday school class, every church gathering is part of a bigger ministry future.

Let's build that future together.

Invest with National Covenant Properties today.

Let the experience of our team work for you.
